Safeguarding Adults - Basic Awareness

ASC/17/1

Description:

This course looks at the main principles of adult safeguarding in line with the Care Act and the Making Safeguarding Personal approach. It explores practice issues regarding abuse or neglect to service users, including the responsibilities of staff in preventing and reporting. The course focuses on the role of frontline staff who support adults.

Outcomes:

By the end of this course you will be able to:

- describe what safeguarding is and what its primary aims are
- describe and explain the six safeguarding principles and what making safeguarding personal means
- identify different types of abuse and neglect and recognise the signs and symptoms
- explain your role and responsibilities in safeguarding adults and what it means in your workplace
- identify ways of promoting people's wellbeing and preventing abuse and neglect

Safeguarding Adults (Level 1- Raising a Concern)

ASC/17/5

Description:

This course is in line with 'Protecting adults at risk: multi-agency policy and procedures to safeguard adults from abuse' updated 2016. It is also guided by the changes outlined in Care Act 2014 and in the most recent guidance around implementation of the Care Act published in 2016.

Outcomes:

By the end of the course participants will:

- Know how an Adults at risk of abuse or neglect are defined by law
- Be aware of the legislation and guidance that covers Safeguarding; including the changes outlined in Care Act 2014 and in the most recent guidance around implementation of the Care Act published in 2016
- Be familiar with the stages of the Safeguarding process
- Gain knowledge regarding the different types of abuse
- Be able to recognise the signs and symptoms associated with each type of abuse
- Be aware of the factors that may make people more at risk of abuse or neglect
- Know about the types of measures that may be used to minimise the risk of abuse or neglect
- Know how to report abuse
- Understand how to take a person centred approach to each stage of the safeguarding process; guided by LGA's 'Making Safeguarding Personal Toolkit' 2015
- Understand the difficulties and barriers to reporting abuse and be aware of the issues around whistle-blowing
- Understand the roles and responsibilities of employers, staff and the local authority within the Safeguarding process as outlined in the Care Act 2014 and in the most recent guidance around implementation of the Care Act published in 2016

ASC/17/9

Description:

The course aims are to welcome new staff to the council, provide an overview of the visions and priorities of the council and give an opportunity to learn about the organisational and political structure. New staff will have the opportunity to meet and ask questions of the chief executive or an executive director.

The course will briefly cover areas such as learning and development opportunities, staff travel, health, safety and wellbeing, and equalities and diversity. It is an effective starting point for new staff to increase their knowledge of the city council and network with other new staff.

Outcomes:

By the end of this course you will be able to:

- understand the learning & development opportunities available to you
- have met the chief executive or an executive director
